

JENADIN

# ABOUT US

JENADIN manufactory was founded in 2013 in Kyiv and is the first manufacturer in Ukraine, who produces seamless clothing.

All products are knitted on the 14<sup>th</sup> and 18<sup>th</sup> gauge German equipment (STOLL).

JENADIN specializes in the production of women's, men's, children's clothing and home textiles.

Over 1000 garments developed.

We try to treat the planet's resources consciously, so our production focuses on small batches and seamless technology.

# ADVANTAGES

## SMALL QUANTITIES

Flexibility and individual approach to each client.

## SEAMLESS TECHNOLOGY

Modern seamless manufacturing technology has two important advantages:

- Minimization of production waste.
- The absence of seams provides maximum comfort for perfect fit and good durability.

# OUR SERVICES
