# Should know

---

The first batches of LED 2.0 maps are sent to its owners, **PRODUCT LAUNCHED!**

Successfully launched new Kickstarter  
Maps on Board!  
After 24<sup>th</sup> February 2022

# Should know

After the Russians totally destroyed the manufacturing facilities in Borodyanka

We have totally relaunched the production in western part of Ukraine during 2 month, fulfilled all the obligation for our partners.

**THANKS!**

Let yourself receive the best emotions with us!
